

DON'T TOSS OUT, DONATE TODAY!

Now accepting gently used
or outdated office items!

Could you imagine starting your first day of school without even a pencil?

Did you know that 84% of Polk schools are classified as Title 1? This means many students attending these schools are considered economically disadvantaged, and may face challenges purchasing basic school supplies.

Polk Education Foundation provides public and charter school teachers across Polk County essential supplies for their classrooms. Teachers may visit PEF's Free Teacher Market four times a year and pick up much needed FREE supplies for their students and classrooms.

Help us stock our shelves by donating some of your gently used or outdated office items.

Great donation items include:

- Any type of paper, notebooks, or notepads
- Outdated envelopes or letterhead (letterhead is used to make journals for students)
- Binders, organizational items, pencils, pens, markers, staplers, scissors, dry erase markers, paper clips, etc.
- Tote bags and promotional items

Contact FreeTeacherMarket@polk-fl.net or call 863.534.0519 x609.

100% of each contribution is received by Polk Education Foundation benefitting the students and teachers in Polk.

Your contribution is tax-deductible as allowed by law.
