

Polk County Public Schools Mission

“The mission of Polk County Public Schools is to provide a high quality education for all students.”

Migrant Education Program Goals

- Identify and recruit eligible migrant students.
- Support and partner with rigorous and relevant educational programs/activities, to improve, if necessary, students’ grades in reading, math, and graduation rates.
- Facilitate parental involvement activities that promote education in the home, English language development, and focus on decreasing educational interruptions.
- Provide access to quality health, social, and support services.
