a dynamic and vibrant learning community where every student is engaged and challenged to achieve his or her individual potential.

At LCMA we pride ourselves on the warmth of our community in which all our students, parents, and staff feel challenged, valued, and successful. Our learners enjoy a supportive environment which cultivates independence and promotes self-belief and high levels of motivation for all.

“Life isn’t about finding yourself. Life is about creating yourself.”
- George Bernard Shaw

As an International Baccalaureate® (IB) school, we are developing globally minded citizens equipped with the strategies, knowledge, and skills needed to pursue excellence in our modern society. Learning at LCMA comes to life as students utilize state-of-the-art technology, connecting throughout the world to explore cultures, languages, and global issues. Engaging, hands-on approaches to investigation and discovery nurture skills which promote lifelong learning and success in school and beyond.

A Global Education

Developing a broad range of human capacities and responsibilities that go beyond academic success

Beyond the Classroom

LCMA values commitment, balance, conviction, and service. Students engage in a range of hands-on and service learning activities which are designed to promote a sense of social responsibility and personal growth while creating a positive impact on our local and global communities.

“Education is the most powerful weapon which you can use to change the world.”

- Nelson Mandela
