ARTICLE VIII. TERMS AND CONDITIONS OF EMPLOYMENT

8.1 PROBATIONARY PERIOD: Employees may be discharged without cause during their probationary period. At the end of that period the employee will be considered a regular employee and will be credited with seniority from the date of hire.

8.1-1 Employees that transfer from the Educational Support Personnel (ESP) clerical unit to the Paraeducator unit are required to complete a new probationary period. If the transferring employee's job performance is found to be unsatisfactory during the probationary period, the employee will be returned to the employee's former ESP position if available, or to an ESP position for which the employee is qualified.

8.1-2 Upon successful completion of the probationary period, the employee's status shall continue from year to year unless the Superintendent terminates the employee for reasons stated in this collective bargaining agreement, school board rule, or reduces the number of employees on a district wide basis for financial reasons.

8.1-3 Fringe benefits are accrued from date of hire with the exception of insurance benefits. See Article XIV Insurance.

8.2 ASSIGNMENT:

8.2-1 Paraeducators shall be notified in writing of the principal's recommendations for assignment by May 1 of each year. Prior to April 1, paraeducators may submit a request for change in assignment for the following school year. Principals will consider such requests but

shall make the final determination of assignments. Upon request a paraeducator will receive a copy of the District Job Description for the position to which they are assigned.

8.2-2 Assignments within the building shall be made by the building principal or his designee within the guidelines of the program. Each paraeducator shall be provided on or before the first day with students a list of their responsibilities and a schedule showing hours of work, breaks, and lunch period.

8.2-3 The principal or his/her designee shall be responsible for guiding and directing the paraeducator not assigned to one teacher.

8.2-4 The duties of the paraeducator shall be directed by the teacher and/or supervisor to whom he/she is assigned.

8.2-5 Paraeducators shall not be reassigned to temporary duties, including substituting for absent teachers, except in an emergency or with the approval of the principal/designee. To avoid undue impact on the paraeducator or the teachers they assist, such reassignments should be rotated among all available paraeducators.

Child Development Associate Teachers (CDAT) and PreK paraeducators subject to the one to ten (1:10) ratio in Florida Statute and federal Head Start standards shall not be reassigned to non-classroom duties, except in emergencies, when such duties would compromise the mandated one to ten (1:10) teacher/student ratio.

8.2-6 The Board and the Association acknowledge that paraeducators shall be used to assist with and reduce teacher's non-instructional responsibilities. Paraeducators must not be responsible for creating independent lesson plans or assigning grades for quarters or semesters.

8.2-7 Paraeducators may be re-assigned by their principal/supervisor on a temporary basis to a different Paraeducator job title (Appendix B – Paraeducator Pay Grades) due to an extended absence of the regular employee. Extended absence is defined as ten (10) consecutive duty days. Such re-assigned Paraeducator shall receive one dollar per day per increased pay grade they move. Payment will be retroactive to the first day of the re-assignment.

8.2-8 Due to the absence of a teacher and the lack of an available substitute, a paraeducator may be assigned by his/her principal/supervisor as a substitute for that teacher. Paraeducators will not be expected or requested to create lesson plans. The paraeducator will receive a supplement of \$20.00 per day. If the position is filled for a half day (3.25 hours) the paraeducator will receive a \$10.00 supplement. The supervisor must present the paraeducator with the substitute form, which includes the unfilled job number. Upon completion of the workday the paraeducator must present this form to the payroll secretary for payment in the next available pay period. When a job number is not included with the request to substitute, the paraeducator can refuse the temporary substitute position. By mutual agreement of the administrator and the paraeducator, compensatory time may be earned in lieu of a supplement: one day of subbing earns 3 hours of compensatory time; one-half day of subbing earns 1-1/2 hours of compensatory time. The use of this compensatory time will follow the guidelines set forth in 6.2, Personal Leave Chargeable to Sick Leave.

8.2-9 Employees shall not be required or requested to assist with the moving of boxes and/or furniture for other employees in excess of the Physical Environment section as defined in their job description without being provided appropriate equipment to do the job safely.

8.3 LENGTH OF WORKING YEAR: All paraeducators shall work 186 days. One hundred eighty days (180) while students are in attendance, two (2) days prior to the beginning of school and four (4) days shall be paid holidays unless otherwise specified in the appropriate appendices.

Network/Computer Lab Paraeducators may be granted up to seven (7) days of extended contract at the request of the school principal. Extended contract days are limited to those days that are recognized as teacher workdays.

8.4 WORKING HOURS:

8.4-1. The length of workday for paraeducators shall be seven and one-half (7 1/2) hours per day, including early dismissal days for students, unless otherwise specified in the appropriate appendices. Employees will be provided regular start and end times which shall be consistent throughout the year unless a specific variation is provided for in this contract. Start and end times may be changed provided that such changes are deemed necessary by the employer. When an employee's work schedule is to be changed, a two (2)-week notice will be given in writing (dated), except in cases of emergency.

8.4-2. Full day paraeducators shall have a paid duty free lunch period of not less than twenty (20) minutes of each school day, scheduled around the regular school lunch hours. On non-student days there shall be a one (1) hour lunch break. When a scheduled lunch period is unfeasible, the principal/director must consult with the Director of Employee Relations to work out a solution. The Association President will be notified of the situation and proposed solution. When a duty free lunch for the Licensed Practical Nurse (LPN) or the Sign Language Interpreter is unfeasible, they shall receive one-half (1/2) hour pay supplement upon prior approval by the Assistant Superintendent of Learning Support.

8.4-3. Full day paraeducators shall have a fifteen (15) minute break in the morning and a fifteen (15) minute break in the afternoon while classes are in session. When a scheduled lunch period is unfeasible, the principal/director must consult with the Director of Employee Relations to work out a solution. The Association President will be notified of the situation and proposed solution. When scheduled breaks for the Licensed Practical Nurse (LPN) or the Sign Language Interpreter are unfeasible, they shall receive one-half (1/2) hour pay supplement (prorated for each break missed) upon prior approval by the Assistant Superintendent of Learning Support.

8.4-4. Paraeducators who are enrolled in an approved degree seeking program as per Article IX shall, with advanced notification and approval of their principal/supervisor, be allowed to forego one or both of their two (2) fifteen (15) minute daily break times and/or their duty free lunch period in return for up to one (1) hour early release to attend afternoon classes. A schedule showing these classes shall be presented to the principal/supervisor prior to the start of each semester. In an extreme/emergency situation the paraeducator may be required to stay until the situation has been handled per the principal/supervisor.

8.4-5. The principal or immediate supervisor shall have authority to grant an employee's request for variation from the regular school day for doctor/dental appointments when

circumstances necessitate such a procedure. When granted, such variation shall not result in loss of pay or accumulated leave days to the employee.

8.4-6. FLDOE Lowest Performing Elementary School: Section §1011.62, *Florida Statutes*, requires that each school district having one or more of the state-designated lowest-performing elementary schools based on the state reading assessment have teachers or reading specialists, effective in teaching reading, provide an additional hour of intensive reading instruction each day of the school year at these schools. In order to comply with this mandate, paraeducators who normally work a 7 ½ hour day will work a 7 ¾ hour day and will be paid at their daily rate of pay. In the event that a paraeducator does not wish to work the 7 ¾ hour day, the principal shall have the authority to grant the request allowing the paraeducator to continue the traditional 7 ½ hour day, as long as the additional hour of intensive reading instruction requirement can be met. All contractual rights including Sections 8.4-2 and 8.4-3 regarding duty free lunch and breaks will be honored.

8.5 PERSONNEL FILE:

8.5-1 Personnel files shall be maintained in accordance with §1012.31, *Florida Statutes*. Each paraeducator shall receive a copy of all evaluative, reprimanding, disciplinary, complimentary, and derogatory reports to be placed in his/her personnel files at the school/department or District office. The paraeducator and/or the Association, upon written authorization from the paraeducator, may review and reproduce the contents, at his/her expense, of any of same. The review shall be made in the presence of the principal/administrator, or his/her designee, responsible for the safekeeping of such file. The paraeducator may challenge, through the established grievance procedure, the maintenance of any document therein.

8.5-2 When statements are made against a paraeducator, no written copies or related materials will be placed in the paraeducator's individual file, nor any disciplinary action taken against a paraeducator until the paraeducator is made aware of the person who is making the accusation, the matter is discussed with the paraeducator, and the paraeducator has received a copy. Before disciplinary action is taken, the paraeducator, at the discretion of the principal/administrator, shall be given opportunity to confront the accuser. If the principal/administrator finds that the statements or accusations are false, no record shall be maintained.

8.5-3 At the written request of a paraeducator, any report in a paraeducator's personnel file (school/department, district) excluding assessments or observations, that may be considered or construed by the paraeducator and/or Association to be reprimanding, disciplinary or derogatory will be placed in an envelope and labeled "confidential and not relevant for disciplinary purposes" and returned to the personnel file. This would be done only after three (3) consecutive years of no serious reprimands or problems on record. This provision does not apply to criminal charges or convictions.

8.5-4 Materials relating to work performance, discipline, suspension, or dismissal must be reduced to writing and signed by a person competent to know the facts or make the judgment. No such materials may be placed in a personnel file unless they have been reduced to writing within 45 days, exclusive of the summer vacation period, of the school system administration becoming aware of the facts reflected in the materials. Additional information related to such written materials previously placed in the file may be appended to such materials to clarify or amplify them as needed. A copy of such materials to be added to an employee's personnel file shall be provided to the employee. The employee's signature on a

copy of the materials to be filed shall be proof that such materials were given to the employee, with the understanding that such signature merely signifies receipt and does not necessarily indicate agreement with its contents. No anonymous letter or anonymous materials shall be placed in the personnel file. An employee has the right to answer in writing any such materials and the answer shall be attached to the file copy.

8.5-5 Except for items that are by law exempt, all material placed in the paraeducator's personnel file shall be available to the paraeducator at his/her request for inspection.

8.5-6 There shall be a single point of contact in the Human Resource Services Division for an employee or the Association to review the personnel file as defined in FL Statute. Furthermore, it is agreed that the school/worksites shall send those materials noted in 4.5-3 to the Human Resource Services Division for placement in said personnel file.

8.5-7 A memorandum will be distributed annually from the Human Resource Services Division to all administrators reviewing the expectations for personnel records set forth in Article 8.5.

8.6 UNSAFE WORKING CONDITIONS: The Superintendent shall be responsible for determining unsafe and hazardous environmental and teaching conditions under which paraeducators shall not be required to work. Such conditions shall be reported in writing to the principal/supervising administrator. If a resolution is not made, the Assistant Superintendent shall be notified in writing, with a final appeal to the Superintendent.

8.7 EVALUATION: An annual evaluation shall be given by the immediate supervisor to the employee in a confidential manner.

8.7-1. The President of PEA may name two paraeducators to the Non-Instructional Assessment committee. The committee will meet bi-annually to review the Non-Instructional Assessment tools and make recommendations.

8.7-2. Instructions to obtain electronic access to the Non-Instructional Assessment handbook will be provided to all non-instructional employees within the first fifteen (15) contract days of each year.

Progressive discipline steps two (2) through four (4) should be copied to the Director of Labor and Employee Relations, Senior Director, and Polk Education Association. "Letters of Concern" are not a form of discipline.

8.9 ABANDONMENT OF POSITION:

When an employee fails to obtain prior approval for absence from work or fails to notify his/her immediate supervisor of his/her need to be absent and is absent for three (3) consecutive workdays, the employee shall be considered to have abandoned his/her position and resigned as an employee of the Board. Special consideration will be given in case of emergencies.

The transfer of the paraeducator will be subject to Board approval.

10.1-1 TRANSFER DURING SCHOOL YEAR: Paraeducators may request to be transferred when there are vacancies for which the paraeducator is qualified. Requests for transfer from one worksite to another shall be made electronically through the Applicant Registration System found on the District's website. Should a paraeducator be offered and accept a position during the school term, then the releasing principal must release the paraeducator from their school within twenty (20) contract days after being contacted by the receiving principal.

10.1-2 REQUESTS FOR TRANSFER BETWEEN SCHOOL YEARS: Requests for transfer from one worksite to another shall be made electronically through the Applicant Registration System found on the District's website.

10.2 VOLUNTARY TRANSFER: A Voluntary transfer to a higher or lower pay grade will be effective on the date of transfer. A voluntary transfer within the same pay grade will not receive a salary adjustment.

10.3 INVOLUNTARY TRANSFERS: The Board and the Association recognize that it may be necessary to transfer a paraeducator or paraeducators involuntarily. Involuntary transfers shall only be made due to the following: (1) loss of units or staffing requirements at particular locations, (2) providing for a racially balanced worksite staff, (3) dividing a worksite faculty to form a new worksite, (4) phasing out a program, (5) changing a program, (6) closing a worksite, (7) providing for a comparability of worksites for Federal program, (8) complying with a court order, (9) lack of required certification for position. Relocation shall be made after asking for volunteers and consideration of the following criteria: seniority, educational qualifications, expertise and ability, prior job experience, and performance evaluations. All employees so affected will be notified not less than four (4) working days prior to such relocation. The employee shall have the right to appeal an involuntary transfer first to the Director of Employee Relations, then to the Superintendent or his/her designee.

10.3-1 ESE STUDENT SPECIFIC PARAEDUCATORS: ESE Student Specific Paraeducators are considered Districtwide employees as they are trained and assigned to work with a specific student(s). If the assigned student transfers to another school within the District, the ESE Student Specific Paraeducator transfers with the student if the receiving school is within the mileage allocation, or they wish to accept the move. If the assigned student exits the District, or no longer requires a student specific paraeducator according to the Individual Educational Plan (IEP), the ESE Student Specific Paraeducator is displaced and will be reassigned, with the first priority being a vacant position within the next pay grade and mileage policies.

In case of layoffs ESE Student Specific Paraeducators will be given priority if they have received certified District training to meet the student's Individual Educational Plan (IEP) including, but not limited to verbal de-escalation/restraint, Picture Exchange Communication System (PECS) training, toileting, minimal medical training, and/or mobility/lifting training.

10.3-2 In unusual and special circumstances the Superintendent may recommend to the Board that a paraeducator be transferred from one position to another specific position for which the employee is qualified/highly qualified for good and sufficient reasons. Any employee being transferred under this section may receive written reasons for the transfer, if so requested by the employee. Such transfers shall not become effective until approved by the Board. The term "unusual and special circumstances" shall mean, with respect to the involuntary transfer, that it is not practicable for the District to adhere to the requirements of Article 10.3. The District's determination of non-practicability shall be subject to the grievance procedure set forth in the Collective Bargaining Agreement, School Board approval of the transfer notwithstanding.

10.4 INVOLUNTARY TRANSFER TO A HIGHER PAY GRADE: An involuntary transfer to a higher pay grade will result in the appropriate salary increase effective on the date of transfer. If an employee is involuntarily transferred to a lower pay grade, that employee shall retain the same salary for the remainder of the current school year. The salary shall reflect the appropriate reduction at the beginning of the next school year. Employees shall receive credit for appropriate experience and in the case of paraeducators, college hours.

10.5 DISPLACEMENTS: Employees displaced for one of the reasons (1-9) listed in 10.3 will be placed on a "displaced list". Employees on the displaced list will be placed before new hires are appointed provided there are qualified employees on the displaced list for the vacant position. Effort will be made to identify and place involuntarily transferred employees within a radius no more than the current distance they drive to work or 25 miles, whichever is greater. Refusal by the employee to accept a position shall release the Board from further obligation to that employee. It will be necessary for displaced employees to provide an address and telephone number where they can be contacted during summer break to the Director of Employee Relations. Each displaced employee will receive a letter from their principal/supervisor that outlines the displacement procedure.

LAYOFF:

10.6 In the event it becomes necessary to lay off employees, volunteers for layoff will first be sought from among the affected positions. When a layoff is necessary, the number of positions being eliminated will be determined by the District Office. The worksites will eliminate the necessary positions; those employees will be placed on the layoff list. The District Office will cut the same number of positions from the employees with the least seniority in the District with the exception of positions that require licensure or certification. The employees on the layoff list will be offered the vacant positions according to the RECALL language.

10.7 A meeting shall be held with the Association prior to any layoff. The Board agrees to provide the Association with a list of names of the employees in the affected position and titles.

10.8 The employees in the affected position titles shall be notified in writing as soon as possible after the decision is made. In no event shall the Board give less than ten (10) working days' notice to affected employees.

10.9 As soon as an employee is notified of his/her pending layoff, he/she shall notify his/her supervisor and the Director of Employee Relations (Human Resource Services Division) if he/she is interested in being assigned to any other position within this bargaining unit for which he/she is qualified.

10.10 All laid off employees shall be notified and recalled in inverse order of their layoff, provided they have the skill, ability, and qualifications required to perform the job.

10.11 An employee who has been laid off shall retain previously earned seniority toward salary advancement.

10.12 New employees shall not be hired into positions for which there are qualified employees on layoff.

RECALL:

10.13 Any employee who has been laid off because of a reduction in personnel shall be recalled in inverse order to the first position in the District equivalent to that from which he/she was laid off. An employee shall be considered for positions other than those equivalent to that from which he/she was laid off provided he/she has the skills, abilities and qualifications necessary for the other positions.

10.14 Any employee on layoff will be maintained on the recall list for twelve months following the layoff notice. The Association shall be provided a copy of the list which indicates employee name, position title, and date of hire.

10.15 When employees on layoff are recalled, the employee with the greatest seniority in that position title shall be recalled first. If the laid off employee is temporarily unavailable to return to work due to medical or FMLA reasons, they may request an extension of their recall rights, not to exceed two (2) months.

10.16 Within five (5) days of receipt of a registered letter of recall, the employee shall notify the Personnel office in writing whether he/she will accept reemployment. The Association shall be provided a copy of the recall letters.

10.17 If the employee does not accept the position, he/she will go to the bottom of the list. When the employee comes to the top of the list for a second time and does not accept the position offered, the Board shall be released from further recall obligation.

10.18 If every employee on the list has declined an opening, the District will place the least senior employee on the recall list in the vacant position provided they have the qualifications, certification, and/or prior job experience required to perform the job. This shall be treated as an involuntary transfer.

10.19 When an employee is offered a position at a worksite which is twenty-five (25) miles or more from his/her residence, he/she shall have the right to turn down any/all offered positions and maintain their position at the top of the recall list.

10.20 MAINTAINED SENIORITY: Employees on authorized leave or layoff shall maintain their original date of hire. An employee that fails to report for work within three (3) days of the recall from layoff shall be considered terminated. An employee who has been laid off shall retain previously earned seniority toward salary advancement.

10.21 Laid-off employees may pay, on a monthly basis, the premiums for group life and hospitalization for a period of up to one (1) year provided the employee continues to pay his part of the premium subject to the provisions of the COBRA law and payment is received by the Risk Management Department of the Business Services Division before the first of the month. This benefit may be extended as defined by COBRA (Consolidated Omnibus Budget Reconciliation Act) legislation. But in no event may the coverage be continued beyond the date the employee became eligible for coverage under any other group type plan.

ARTICLE XI. EVALUATION AND ASSISTANCE PROCEDURE

The procedure as outlined below will be used to help the employee correct deficiencies. The principal/supervisor will:

11.1 Notify the employee and the Association in writing of the areas of deficiencies which could lead to dismissal.

11.2 Provide written suggestions for improvement using the Professional Improvement Plan in the Non-Instructional Personnel Evaluation Handbook, offer and provide assistance (e.g. in-service training, professional development plans, college courses, assistance from specialists, etc.) and allow a period of at least thirty (30) working days for improvement.

11.3 At the end of this period, evaluate and assess the employee in the performance of his/her duties to determine if the job improvement Plan has been satisfied. If satisfactory improvement has occurred the procedure will cease.

Such terminal pay shall be in the amount determined by the daily rate of pay of the employee at the time of termination and the number of years of service in Polk County. Calculations shall be made as follows:

If a member of a bargaining unit believes he/she has a grievance, he/she shall first discuss the matter in good faith with his/her immediate supervisor in an effort to resolve the problem informally. This action shall take place within fifteen (15) work days after the grievant knew or could reasonably have been expected to know of the event giving rise to the grievance.

At the informal procedure, the grievant may be accompanied by an Association member representative. The immediate supervisor or principal may have a member of his managerial staff, or if none exists, an assistant principal from another school at the meeting in the event that an Association member representative is present. The Informal Procedure may be postponed until such time as a knowledgeable person mutually agreed upon by both parties can be present. In this informal action, the grievant shall advise his/her supervisor of the particular section of the agreement alleged to have been violated. No record shall be maintained. The immediate supervisor will respond to the grievance within two (2) work days after the informal meeting.

STEP I: If, as a result of the informal discussion with the immediate supervisor, a grievance still exists, the grievant shall, within ten (10) work days after the informal discussion, submit to the area Superintendent/Assistant Superintendent a completed copy of the grievance form (Appendix A). This time limit shall not apply in cases where the nature of the grievance is continuous, or when the resolution agreed to at the informal level has not or cannot be implemented. Within ten (10) work days after the receipt of the written grievance, the area Superintendent/Assistant Superintendent shall arrange and meet with grievant and/or the Association in an effort to resolve the grievance. The area Superintendent/Assistant Superintendent shall indicate his/her disposition of the grievance in writing at the appropriate place on the grievance form within five (5) work days after such meeting, and send copies thereof to the grievant and the Association.

STEP II: If the grievant is not satisfied with the disposition of the grievance at Step I, such grievant may appeal, by filing a form as contained in the Appendices to this contract, with the Superintendent, within ten (10) work days after receipt of the decision at Step I. The Superintendent shall arrange and meet with the grievant and/or Association within six (6) work days after the receipt of the grievance in an effort to resolve the problem. At least one (1) work day prior to the meeting each party shall give to the other a list of prospective participants. The Superintendent shall indicate his/her disposition of the grievance in writing within five (5) work days after the meeting and shall furnish a copy thereof to the Association, the grievant and the immediate supervisor.

STEP III: In the event the Association is not satisfied with the disposition of the grievance made by the Superintendent, or if no disposition has been made within five (5) work days of such meeting, then within ten (10) work days thereafter, the grievance shall be transmitted to the Board by filing a copy with the Chairman of the Board. The Board shall, within fifteen (15) work days, meet publicly for the purpose of listening to any oral arguments presented by the grievant and/or Association and the Superintendent. The grievant/Association and the Superintendent shall simultaneously exchange briefs outlining their positions and related documents without oral testimony. The disposition by the Board shall be made and announced within three (3) work days of the public hearing. A copy of such disposition shall be furnished to the Association, the grievant, the immediate supervisor, and the Superintendent.

STEP IV: In the event the Association is not satisfied with the disposition of the grievance by the Board, the grievance may be submitted to arbitration before an impartial arbitrator. Notice

of such submission shall be given in writing to the Superintendent within five (5) work days after the Association has received a written disposition from the Board. The arbitrator shall be selected from the American Arbitration Association in accord with its rules, which likewise govern the arbitration proceedings.

MISCELLANEOUS PROVISIONS:

1. The arbitrator shall not have power to alter, add to, or subtract from the terms of this agreement.
2. The Board and the grievant shall not be permitted to assert in such arbitration proceeding any ground or rely on any evidence not previously disclosed to the other party. Both parties agree that the award of the arbitrator shall be final and binding.

Neither the bargaining agent nor the Board shall be responsible for the cost of grievance arbitration by a member of the bargaining unit when the grievance is not processed by the Association.
4. If the Board refuses to arbitrate a grievance arising under this agreement, the arbitrator appointed according to the above grievance procedure shall proceed on an ex parte basis.
5. Adjustment of any grievance as described herein shall not be inconsistent with the provisions of this agreement.
6. No reprisals of any kind shall be taken against any party in interest participating in the grievance procedure.
7. Notwithstanding the expiration of this agreement, any grievance arising while the agreement was in effect may be processed through the grievance procedure until resolution.
8. Any Paraeducator for whom a grievance is sustained shall be reimbursed in accordance with the award of the arbitrator.
9. The Association reserves the right to insure the proper use of the grievance procedure for the bargaining unit. If the Association has declined to process or further process any grievance presented to it, and if any employee or group of employees desire to process it or further process their own grievance through this procedure, the bargaining agent shall be sent copies of all written communications sent by the employer or the employee(s) involved. Further, nothing herein contained shall be construed to prevent any public employees from presenting, at any time, their own grievance(s) in person or by legal counsel to the employer and having such grievances adjusted without the intervention of the bargaining agent, provided however, that the adjustment is not inconsistent with the terms of the collective bargaining agreement then in effect and provided further that the bargaining agent has been given notice and reasonable opportunity to be present at any meeting called for the resolution of such grievance.
10. Should either party request a transcript of the proceedings at Step IV, then the party shall bear the full costs of the transcript. If each party requests a transcript, the cost of the two transcripts will be divided equally between the parties.
11. Each party shall bear the full cost of its representation at all steps of the grievance procedures.
12. An employee shall have the right to have an Association member representative present when a grievance is being discussed. In a case where no Association member representative is present to attend the informal procedure, the discussion may be postponed and the Association staff will have the right to appoint an Association member to attend the informal session.

13. The grievant may, after the Informal Procedure, present the grievance in writing to the Association who will provide an opportunity for a meeting with the grievant to decide the merits of the case within five (5) work days after receipt of the grievance by the Association.
